# UPCOMING EVENTS

## Updated Child Support Guidelines Training

This training equips you with the knowledge and tools needed to apply the new Guidelines with confidence and precision.

Presenters will discuss

- How the child support guidelines reflect economic realities and evolving family needs
- How practitioners can adjust their strategies in drafting agreements, litigating modifications, and advising clients.

**TUESDAY,  
JAN. 27, 2026  
1:00PM - 2:00PM**

**LOCATION:  
ON ZOOM**

Attendees also learn about changes to the guidelines to reflect the changes in parentage laws, and clarifications regarding college costs and childcare costs.

The Massachusetts updated child support guidelines, which are applied to all child support orders and judgments to be used by the justices of the Trial Court, went into effect December 1, 2025.

The updated guidelines include significant changes including the reduced support amounts for payors earning less than \$391 per week.
